ADMINISTRATION
Kay Neff, Head of School
Laura Springer, Assistant Head of School
 Julie Bawulski, Director of Admissions

ELIGIBILITY
Children between the ages of 2½ and 6 are eligible for enrollment. Toilet training is required. The school is non-sectarian, and does not discriminate in the administration of its educational or admissions policies on the basis of race, color, religion, national or ethnic origin, gender, or disability.

ENROLLMENT & WITHDRAWAL PROCEDURES
We encourage the parents of prospective students to observe the school before applying for admission. This is best done by appointment. If there are openings, receipt of the completed application form and the registration fee enrolls the child in the school. If there is a waiting pool, receipt of the completed form and the registration fee places the child’s name in the pool. When there is an opening, you will be notified. We request that each child visit the classroom once with a parent or guardian before actually beginning school. This allows him or her to meet the teachers and to become acquainted with the environment. An open house is scheduled before the beginning of each school year for children who have not yet had the opportunity to visit. If it should become necessary to withdraw your child from school, we require written notice thirty days prior to the withdrawal date.

ACCEPTANCE
Children are generally accepted into the school in the order in which they apply, with the following exceptions: Siblings of current students and children with previous Montessori experience are considered first. We also balance classes by age and gender, and in some instances, a limited number of spaces may be reserved for full-day children.

All children are accepted on a trial basis, and the first thirty days of attendance are considered a probationary period. If difficulties arise, parents will be contacted and a program of constructive action developed. If significant improvement is not achieved within a reasonable period of time, a request for withdrawal may be made by an administrator or the parents.

CLASS HOURS/EXTRA HOURS
Dearborn Heights Montessori Center offers the following program options for 2½ to 6 year old children:

1. HALF-DAY MONTESSEORI CLASSES—Preschool/Kindergarten multi-age groups meet for 3 hours in the morning (8:30-11:30 a.m.) or afternoon (12:30-3:30 p.m.), Monday through Friday. Children attend one of these sessions for five days each week, remaining with the same teachers and classmates.

2. FULL-DAY MONTESSEORI PRESCHOOL, an academic program for children younger than kindergarten, meets daily from 8:30 a.m. to 3:30 p.m.

3. EXTENDED DAY KINDERGARTEN, a full-day academic program for kindergarten-age children, is in session daily from 8:30 a.m. to 3:30 p.m.

4. An enriched FULL DAY CARE PROGRAM, which includes the half-day Montessori class, is available from 7 a.m. to 6 p.m., and provides a balanced day for the younger child with longer hours.

5. OPTIONAL EXTRA HOURS are available to all enrolled children between 7 a.m. and 6 p.m.

6. SUMMER DAY CAMP offers part time and full time options. A separate brochure is distributed in the spring.

TODDLER, ELEMENTARY and MIDDLE SCHOOL programs serve children from 18 months through eighth grade.

TUITION
Tuition and fees are shown on an accompanying sheet. Tuition may be paid in a single payment, or according to the printed schedule through FACTS Tuition Management Services. If payments are in arrears, the child may be denied admission to the classroom until the deficiency is corrected. Children are enrolled for the full school year (or portion remaining), and the family is responsible for the full tuition balance from the date of acceptance.
BEGINNING-OF-SCHOOL SCHEDULE
The first day of school, traditionally the Tuesday immediately following Labor Day, is an open house, when parent and child come together just to visit. The following day, classes begin in rooms that are simplified to help the children master basic procedures and activities. Day care is available from 7 a.m. until 6 p.m. from the first day of class.

ARRIVAL & DISMISSAL
We offer curbside drop-off service at the north end of the building for ten minutes prior to the start of each half day session. Children are met at the car by a teacher and escorted to the classrooms in groups. The drop-off line is a moving line only. Parents who will be leaving their cars to enter the building must park in designated areas of the parking lot.

Children who arrive before or after the drop-off service hours must be brought into the building, and released directly to school personnel. If they are being brought to day care, they should also be signed in. Please do not leave a child at the curb or allow him or her to enter the building unattended.

All children should be called for at their classrooms. Although this is less convenient for parents, we feel it keeps the lines of communication open if we see you regularly. A five-minute grace period is allowed at the end of each half-day class. After that the children will be signed in to day care. The time will be billed at the regular hourly rate, calculated to the quarter hour from the stated pickup time (11:30 a.m. or 3:30 p.m.). All children must shake hands with a teacher when departing for the day.

Prior to the beginning of school, you will be given a child information page to complete. This page, which is required by child care licensing, asks for emergency information and a list of persons whom you authorize to pick up your child from school. Your child will be released ONLY to people listed on the page, so be sure to notify us of any changes. DHMC staff will require positive identification (driver's license or other ID with photo) from people they do not recognize.

With respect to child custody disputes, until custody has been established by a court order, neither parent may limit the other from picking up the child, and the school will release the child to a known identifiable parent.

TRANSPORTATION
Transportation is the responsibility of parents. If you would like information about possibilities for carpooling, please check with the office staff. You can save time and make a friend, too!

CALENDAR/SCHOOL CLOSING
The program roughly follows the schedule of local schools. A calendar noting days off and other events will be distributed in the fall. If weather necessitates school closing, notification is by answering machine, the website—www.dhmontessori.org, and DHMC's Facebook page. We do not close casually, and almost always keep day care open even if classes are not in session.

EMERGENCY POLICY
DHMC has developed an Emergency Management Plan in consultation with local authorities which outlines a plan of action in the event of natural or man-made disaster. Please regularly update your child information page to ensure that we have current telephone numbers for all emergency contact persons.

HEALTH & MEDICATIONS
A health form required by the Michigan Department of Human Services and provided by the school must be filled out by your doctor and returned by the first day your child attends school. Required immunizations are Polio, DTP, Mumps, Measles, Rubella, Hepatitis B, Hib, Chicken Pox, and Pneumococcal Conjugate. Please inform the staff about contagious illness. The school must also know about food or other allergies.

Medications can be given at school. They will be administered only under the conditions stated on the Medication Release Form (provided by DHMC) which must be completed and signed by a parent. This form gives proper instructions to DHMC staff. Children are not allowed to self-administer medications (including vitamins or other over-the-counter products); a staff member must do so, and then enter the information in a medication log which is maintained at the school for parent reference. All medications must be in their original containers.

Children who are ill should not come to school. If a child becomes ill while at school, parents (or another authorized person from the information page if parents are not available) will be contacted immediately, and arrangements made for the child to be picked up. In an extreme emergency 911 will be called, and the child will be taken to a hospital designated by the parent or by emergency personnel. Any costs or charges incurred for 911 emergencies are the sole responsibility of parents.

As a licensed child care provider, we are required by law to report instances of actual or reasonably suspected child abuse or neglect to appropriate authorities.

SPECIAL NEEDS
Wayne-Westland Public Schools personnel screen for special education services. Limited services can be offered in our building. The screening process should be initiated by a teacher.

ACCIDENT/INCIDENT REPORTS
If a child is injured in any way, or if he or she is involved in an unusual incident, a written report will be provided to parents. Accident or incident reports must be signed by the parents and returned to the school the following day.
FIELD TRIPS
Field trips, which are normally limited to kindergarten-age children, are chosen carefully, with fun, educational value, cost, and reasonable logistics as criteria. A “blanket” field trip permission is signed as part of the enrollment contract. However, parents will be notified in advance if children will be leaving the building, with the exception of walks in the neighborhood. Transportation on field trips is provided by volunteer parents or by contracted bus. Parents may be asked to pay for an occasional field trip.

IN-HOUSE PROGRAMS
A positive alternative to field trips, particularly in inclement weather, is to bring the presentations to the children. The whole school enjoys such things as science demonstrations, museum outreach, musicians, puppet shows, and various other presenters. In addition, classroom teachers may arrange programs for their own classes. The younger children also enjoy being the audience for performances presented by the elementary children. Costs for in-house programs are usually paid by the school.

CLASSROOM CELEBRATIONS
Most classrooms recognize major holidays with a celebration or activity of some kind. These are presented in a cultural, rather than a religious manner, and individual teachers plan for their own classes. Teachers usually send notes indicating plans and/or needs; parent input and assistance are welcome!

Children’s birthdays are also recognized, usually during the ending line of the day. Birthday celebrations are kept quite simple; usually the child brings a treat for the class and is honored during a short ceremony. Please see your child's teacher for specifics about birthday celebrations and treat suggestions. Health regulations require that foods brought from home be commercially prepared and in their original packaging.

SNACKS & LUNCH
Mid-morning, mid-afternoon, and late-afternoon snacks are served to all children in attendance. We emphasize nutritious whole or fresh foods and pure juices in planning snacks; baked goods are limited to products made with 100% vegetable shortening. Snack menus are posted. Parents will be asked to contribute toward classroom snack food. Day care snacks are provided by the school. Parents must provide lunch for children who are present during the noon hour. The school furnishes milk.

CLOTHING
All outer clothing should be clearly marked with the child's name to prevent loss. To allow your child to participate without hesitation in various activities, do choose clothing that is simple, washable, manageable by the child, and appropriate for active play. Please provide outerwear that is suitable for outdoor play in cold weather. Non-slip shoes are required. Children who wear shoe boots in the winter should bring a pair of slippers to be left at school. These will keep feet dry and warm indoors.

OUTDOOR POLICY
The DHMC staff feels that active outdoor play is a basic component of a quality Montessori program, and the children go outdoors throughout the school year. The staff uses reasonable discretion in deciding if weather conditions are appropriate for outdoor play. Be sure to send complete outdoor clothing every day (a tote bag is useful for this). Proper staff: child ratios are required indoors and out, and these cannot be maintained if one or two children remain indoors. If a child is to be kept indoors for medical reasons, the school must be provided with a signed, dated letter from his or her doctor outlining the conditions of the restriction.

DISCIPLINE
Discipline means “guidance,” not punishment. Our aim is to help children grow into responsible, self-directed people, respectful of themselves, others, and property. We encourage the development of self-control, self-esteem, and cooperation. A system of clear ground rules with reasonable and logical consequences for inappropriate behaviors is based on respect for the child. The staff does not spank or otherwise physically punish children; only positive methods of correction are used. A formal discipline policy for children and parents is distributed to all families.

SHARING
We prefer that children leave toys and other personal items at home, and most teachers will ask children to leave such items in their tote bags if they are brought to school. Our experience has been that children usually have difficulty sharing these items with other children, and loss or damage may occur. There are, of course, exceptions to this rule: All teachers have a group sharing time where things of interest to the class (books, special discoveries, artifacts or objects from a vacation, etc.) may be shown. Also, comfort items for sleeping are welcome in the nap room. DHMC staff reserve the right to restrict personal items if they feel those items are detrimental to the program in any way.
Parents are very important to us, and we welcome your comments and suggestions at all times. Parents are also valued helpers in and out of the classroom. Individual classroom teachers may indicate areas in which they could use help (parties, materials making, reading with children, sharing a special talent, etc.) We appreciate your participation in meetings, events, and fundraising activities. Parents who volunteer in our program must provide the school with a Department of Human Services central registry clearance form. Information on obtaining this form is available from office staff. We appreciate parent assistance and encourage involvement; the school runs much more smoothly and the children’s experience is enhanced when the whole team (staff, parents, and children) works together.

PARENT INVOLVEMENT
Parents are very important to us, and we welcome your comments and suggestions at all times. Parents are also valued helpers in and out of the classroom. Individual classroom teachers may indicate areas in which they could use help (parties, materials making, reading with children, sharing a special talent, etc.) We appreciate your participation in meetings, events, and fundraising activities. Parents who volunteer in our program must provide the school with a Department of Human Services central registry clearance form. Information on obtaining this form is available from office staff. We appreciate parent assistance and encourage involvement; the school runs much more smoothly and the children’s experience is enhanced when the whole team (staff, parents, and children) works together.

Contact between parents and teachers is very important. We schedule two parent-teacher conferences (fall and spring). Additional conferences may be arranged with the teachers at any time; our goal is good communication. It is most important that you keep the teachers informed of any changes in the home situation that might affect your child, or anything that comes up in conversation with him or her that you think the school should be aware of. Classroom and office staff are always willing to help solve a problem or answer questions.

A written record of progress is maintained for each child in the school, and we will furnish a report to any future school a child may attend. There will also be one scheduled class observation for parents. However, you are welcome to visit at any time.

We offer a series of evening group meetings to familiarize you with the classrooms, the Montessori materials, and the goals and philosophy of the program. We encourage you to attend these meetings; guests are also welcome. We hold annual Dads’ and Moms’ Nights, to be attended by the respective parents (or a substitute) and the children, Grandparents’ Day, Holiday Sing, a year-end music program, and a family picnic. Parents are always welcome on field trips and at other special events throughout the year.

SALES OF PRODUCTS
During the school year, items may occasionally be offered for sale. The purchase of these items is always optional, and parents are free to decline. There are three general “sale” categories: those arranged by the school, those organized by upper elementary/middle school students as fundraisers, and those set up by the Parents Association. The former include school pictures, book clubs, and school-logo clothing. The Parents Association has organized book fairs and cookie dough sales, and has also sponsored events, with proceeds earmarked for playground development, classroom equipment, or school programs.

LICENSED NOTEBOOK
DHMC maintains a licensing notebook, available for parent review, which contains our licensing documents. Licensing records are also available online at www.michigan.gov/michildcare.

CONFIDENTIALITY
DHMC does not distribute name, address, or telephone lists of enrolled children. However, we will make such information available to other parents who ask; generally they wish to invite another child to a birthday party or to make arrangements for children to play together. If you do not want your contact information to be released, please inform the office. Under no circumstances will enrollment information be given to outside solicitors.

Each child has a right to confidentiality. All information pertaining to the children in the program is confidential and used for internal purposes only. It will be released to third parties by parent request, or if required by statute, court order, or licensing mandate.

PRODUCT & SERVICE NON-ENDORSEMENT/ NON-LIABILITY
We are often asked to post announcements or hand out fliers for outside groups offering products or services for children. Distribution of such information does not imply DHMC endorsement, nor does DHMC assume responsibility or liability for consequences that may arise from use or purchase of such products or services.

STAFF & VOLUNTEER SCREENING
All staff are screened for felony convictions by the Michigan State Police. Staff and volunteers are screened for child abuse and neglect convictions by the Department of Human Services. Volunteers are supervised at all times by DHMC staff.

PRIVATE DUTY BY EMPLOYEES
DHMC employees are prohibited from accepting offers for private duty (e.g. babysitting, transportation, etc.) for any of the children enrolled in the program.

COMMUNICATION
Should questions arise, please ask! Teachers, administrators, and office staff are all happy to help you, and should the appropriate person not be available, please leave a message and you will be contacted as quickly as possible.
Dearborn Heights Montessori Center
3-6 Day Care Policies & Information

Program Philosophy
The staff of Dearborn Heights Montessori Center holds as a primary goal the development of the whole child. We provide a nurturing environment that encourages social, emotional, physical, and intellectual growth. Day care substitutes for a child’s daytime home life, and it offers a wide range of activities geared to the needs and interests of small children: cognitive and construction toys, games, art, books and music, blocks, housekeeping, dress-up, outdoor play, and much more. Children bring lunch, three snacks are provided, and there is the opportunity to nap or rest as needed. We work at creating a setting that is both enjoyable and beneficial for children, and for the adults who care for them.

Admission & Withdrawal
Children who are enrolled in half-day or full-day Montessori classes are automatically admitted to the day care program. It is necessary only to let the school know if and when they will be attending. If schedule changes take place during the school year, the office must be notified so that a billing adjustment can be made. Occasional day care hours are billed on an as-used basis.

Notification That a Child Will Be Using Day Care
The best way to notify the school that a child will be staying for day care is to write a note. These are posted, and the staff can refer to them easily. If a child is following a consistent pattern of use, even if that use is one or two days a week, only a single note is needed until the pattern changes. For occasional or inconsistent use, please send a note each time.

Notes should be SIGNED and DATED. It is also helpful to staff and child if APPROXIMATE PICKUP TIME is indicated. A telephone call to the school is also an acceptable means of notification.

Sign-In & Sign-Out
Children are to be signed in upon arrival, either by the parent or staff person bringing him or her. They must be signed out when they are picked up. This is our control over a child’s whereabouts, and our basis for billing. Children not signed out will be charged until 6 p.m. on that day. The day care sign-in sheets are to be used only for children who use day care; attendance is taken in the Montessori classes for those attending half-day or full-day with no extra hours.

“Grace Period”
Five minutes “grace” is allowed at the end of each class session. After this, children will be automatically taken to the day care room. The time used is billed from the stated pickup time (11:30 a.m. or 3:30 p.m.), and is calculated to the quarter hour.

Snacks
Morning, mid-afternoon, and late afternoon snacks, provided by the school, are served to all children present in day care. Snack foods are selected with child appeal and nutrition in mind, and represent at least two major food groups.

Early Morning Food
We recognize that there may be days when there isn’t time for a peaceful breakfast at home. Children arriving at school prior to 8 a.m. may bring breakfast food. A table with place mats will be provided as a consistent eating space. Please send only finger foods (small pieces of fruit, raisins, bagel slices, toast or crackers with peanut butter or cheese, etc.). Please do not send snack foods or fast foods.

Lunch Procedures
A daily lunch must be provided by parents on days children are at school through the lunch hour. Milk is provided by the school. After the end of the morning class, all children who will be staying for lunch wash their hands. They then return to the day care area to eat. Staff members supervise the lunch period, helping the children open containers and encouraging them to eat main course foods first and treats last.

At the end of the lunch period, most leftover foods are placed back into the lunch box. Parents are then able to judge if the quantity of food is appropriate. (There is a tendency to overestimate a small child’s capacity when filling a lunch box.) Very messy leftovers (juice boxes, yogurt, etc.) which will run all over the inside of the box are thrown away.

When children finish eating, they tidy up their eating area, put away their lunch boxes, and talk or play until everyone is done. Story time ends the lunch period, after which nappers curl up on their cots in the nap area and non-nappers begin afternoon play.
NAP/REST POLICY
There is no nap time in the Montessori classes—only in the day care portion of the program. Nap policy is flexible, determined by the needs of individual children. A very general “rule of thumb,” based on child care licensing rules, is that children who are five years old need not rest or nap unless they wish to, and that children under five should have a rest period. However, exceptions are made depending upon children’s personal rest patterns, how long they will be staying, and how they appear to be feeling on a particular day. Children who rest quietly, but do not fall asleep, usually get up after about 30 minutes. Morning nap begins at 10:15 a.m. and ends at 11 a.m. Those who nap in the afternoon lie down after lunch and are awakened at 2:30 p.m. if they are still sleeping.

BEDDING
All children who will be napping or resting need to bring bedding—a small pillow with case, sheet and blanket, or a sleeping bag. These items will be sent home periodically for laundering. Children are also welcome to bring along a favorite object (blanket, stuffed toy, etc.) if it is used at home for sleeping. Please label all items with the child’s name.

CLOTHING
Children using day care will be going outside daily throughout the school year. They must have appropriate clothing for outdoor activities. These same clothing policies apply to children who attend for half days. Active outdoor play and safe, comfortable movement indoors are basic components of a quality Montessori program.

1. Tennis shoes (or other flexible, non-slippery footwear) are needed. The children are not allowed on the climbing equipment if their shoes are dangerous. Hard-soled dress shoes, cowboy boots, sandals, and most slip-on shoes preclude safe running and climbing.

2. Children who wear shoe boots in the winter should bring a pair of slippers to be left at school. These will keep feet dry and warm indoors, and reserve the boots for outdoor use.

3. Please send weather-appropriate clothing every day. It is important that children be able to join their friends at play, and proper staff-to-child ratios cannot be maintained when one child must be kept in. In cold weather, put snowpants, mittens, hat, and scarf in a tote bag if you don’t wish to send the child to school wearing them.

4. Please save dressy, expensive clothing, or clothing that inhibits free movement, for non-school occasions. We want the children to be able to run, climb, and play in the sand without restriction.

5. Labels are needed! Duplicates are inevitable. Much confusion can be avoided if children’s lunch boxes, boots, and clothing are labeled with their names. A ball-point pen works well for clothing, and a Sharpee or other indelible marker is good for non-clothing items.

PAYMENT TERMS & CONDITIONS
Charges for HALF-DAY MONTESSORI CLASS WITH UNLIMITED DAY CARE are paid with tuition, and entitle the child to unlimited use of day care services between the hours of 7 a.m. and 6 p.m. on days school is in session.

HOURLY DAY CARE charges are billed every three weeks. Hourly day care is available for use at any time by children who are enrolled in half-day or full-day Montessori classes. Charges are calculated at the rate shown on the current tuition schedule, and are prorated to the quarter hour. The following conditions apply:

1. Hourly day care charges and Full-Day Preschool or Extended Day Kindergarten flat rate latchkey payments should not be included with tuition. Please write a separate check payable to DHMC, or put cash in a separate envelope. Indicate on the envelope the time period covered, or simply attach the bill. Tuition is paid through the FACTS program, while hourly day care and latchkey fees are collected directly by the school; thus the need for separating the payments.

2. Payment is expected in a timely manner. Children whose accounts are not up-to-date will be denied use of day care services until the account is paid in full.

3. There is a $1 per minute late charge after 6 p.m. These charges are included on hourly day care bills and paid to the school, but go in their entirety to the caregivers who stay late.
OUR AIM:
The purpose of Dearborn Heights Montessori Center’s preschool and kindergarten programs is to provide an educational, creative, social, and most importantly, pleasurable experience for your child. He or she will be able to associate with other children and responsive, caring adults in an environment specifically tailored to the needs of small children.

WE HAVE....THE MONTESSORI MATERIALS...
We provide a complete Montessori program, with full equipment in all areas: Practical Life (polishing, sorting, grace and courtesy, personal care, food preparation, etc.); Sensorial (texture, weight, size, color, shape, sound); Mathematics (proportion, counting, decimal beads, computation); Language (verbal development, pre-writing and writing, pre-reading and reading); Geography (large puzzle maps and related materials); and Botany.

SCIENCE AND NATURE . . .
We also offer many additional experiences in science, including simple experiments, magnets, magnifying lenses, balance and measuring equipment, plants and animals to care for, and a variety of nature study materials such as rocks and shells. Our school grounds are certified as a National Wildlife Federation Schoolyard Habitat, and provide many opportunities for study.

ART AND MUSIC . . .
Our creative program is complete and varied, with art materials placed where the children may use them freely. There are also teacher-directed art projects, where new media and techniques are introduced. Prints, paintings, and sculptures are shown to the children, and left in the classrooms to be enjoyed. The music program includes singing, sound and motion games, use of rhythm band and Orff instruments, music appreciation, and the traditional Montessori music materials.

. . . AND LOTS MORE!
Large muscle needs are met in the gymnasium, which the children use on a regular basis, and on the large, fenced playgrounds adjacent to the school building. Equipment includes climbing, riding, balancing, sliding, and other physical apparatus, as well as outdoor sandboxes. There are large and small group activities and games, poetry and singing, books for free and group reading, field trips, regular cooking experiences, and guests who give informative demonstrations or talks. Mid-morning, mid-afternoon, and late-afternoon snacks are served.

WE OFFER A FLEXIBLE PROGRAM, WITH HALF DAYS, EXTENDED DAY KINDERGARTEN...
Program hours can be tailored to meet each family’s needs. All children attend a half-day Montessori class, which meets daily in either the morning or the afternoon. This class is seen as a supplement to a child’s home life, filled with the many materials listed above that aid the developing child in becoming a confident member of society. Extended Day, a full-day Montessori program, is available to children of kindergarten age. The Extended Day class is excellent preparation for DHMC’s elementary school, which serves grades one through eight. In half-day Montessori classes and in Extended Day, the primary emphasis is on cognitive skills.

FULL DAYS . . .
Extra hours are available to all families, as well. The day care rooms substitute for a child’s daytime home life, with many opportunities for fantasy and role playing, more outdoor activities, lunch, nap (if needed), and a large collection of toys and other materials. Practical Life and Sensorial activities in day care overlap the classroom, as do art, the book and music corner, and small motor and visual discrimination items such as beads, pegboards, and puzzles. But there are also large and small blocks, construction toys, dolls, trucks, dress-up clothes, and housekeeping furniture that are intended to replace the activities a child would be engaged in if he or she were at home. We find that children really enjoy the day care area, and negotiate with their parents to be allowed to stay and play!

. . . AND OPTIONAL EXTRA HOURS.
The day care area may be used by enrolled families on a full time or part time (either occasional or regularly scheduled) basis. Fees are calculated according to use.

WE ALSO HAVE . . . AN EXPERIENCED, HIGHLY QUALIFIED STAFF . . .
The teachers in charge of all classrooms are certified Montessorians, with American Montessori Society (AMS) or Association Montessori Internationale (AMI) training. Other regular staff members include Montessori interns (student teachers) and assistant teachers with backgrounds in early childhood education. We have, in addition, French, art, and music/movement teachers who supplement regular classroom programs. Staff development is a high priority, and teachers attend seminars and workshops throughout the year. All staff have CPR and first aid training.

. . . AND PROFESSIONAL STANDING.
DHMC is accredited by the National Association for the Education of Young Children (NAEYC). We are affiliated with the American Montessori Society, Michigan Montessori Society, and AMS, the Association of Independent Michigan Schools. We benefit from their workshops, in-service training opportunities, and informative publications. The school is licensed by the Michigan Department of Human Services, and is a 501(c)3 organization, eligible to receive tax-deductible contributions.

In short, we provide a positive, well-equipped, nurturing environment where your child may develop under the guidance of adults who are sensitive to his or her needs and abilities, and where s/he may enjoy the friendship of other children.

Educational Excellence for Children 18 months to 14 years
Toddler—Preschool—Elementary—Middle School—Day Care—Summer Programs

A Montessori classroom is designed to meet the developmental needs of children; it is child-oriented in size and scope. The children progress at their own pace, under the guidance of teachers who are sensitive to their interests and abilities. At the same time, they enjoy the company of other children, and learn to interact with them in a happy and natural way.

Our goal is the education of the whole child: social, emotional, physical, and intellectual. In the words of Maria Montessori, our aim is to “enable children to grow up with a healthy spirit, a strong character, and a clear intellect” to take their places as citizens of the world.

Why Choose Dearborn Heights Montessori Center?

A number of qualities characterize the programs at Dearborn Heights Montessori Center. Among them are...

**Experience:** Dearborn Heights Montessori Center has been offering high quality educational programs since 1972.

**Accreditation:** Dearborn Heights Montessori Center is accredited by the National Association for the Education of Young Children (NAEYC) under their new, rigorous standards. Only 8% of schools nationwide achieve this distinction.

**Authenticity:** The Montessori name is not patented, and can be used by anyone. In philosophy and practice, DHMC adheres to Montessori principles. Teachers are properly trained, classrooms are fully equipped, and the children experience a true Montessori program.

**Highly-trained staff:** Head teachers in all classrooms hold Montessori certification at the level they are teaching from the most respected training programs (American Montessori Society-AMS and Association Montessori Internationale-AMI). All teachers, assistant teachers, and support personnel participate in ongoing staff development programs.

**Low staff turnover:** Our extremely low teacher turnover rate results in an experienced and stable staff.

**Safety:** The highest priority is given to safety, and many policies and procedures are in place to ensure that all children are protected. All staff are CPR and First Aid certified.

**Values:** Kindness and consideration for others are taught and practiced. Respect and responsibility are operative concepts.

"**One stop shopping**": The single decision to enroll a child at DHMC will serve him or her through the toddler, preschool, elementary, and middle school years. Summer programs, athletic teams, before- and after-school care, after-school classes, and tutoring services are additional options offered on site.

**Educational excellence:** DHMC students excel academically, and collectively score well above grade level on standardized measures. Our graduates are consistently accepted to their high schools of choice, and thrive in those environments.

**More than the basics:** Specialists provide instruction in foreign language (French, Spanish), music, art, physical education, and technology. Numerous in-house presenters and field trips further enrich the children’s experience.

**Individualized programs:** A mastery-based curriculum enables each child to progress according to his or her own gifts.

**Cultural diversity:** Students and staff from a wide range of cultures thrive in an atmosphere of mutual respect.

And last, but certainly not least—

**A caring place:** DHMC is a community that nurtures children, welcomes parents, and provides an environment that supports open communication.
Technology

Technology is an important aspect of life, and its effective use is a crucial skill for students to develop. In addition to the various technology tools available in their classrooms, starting at first grade, students participate in 60-minute weekly technology lessons.

**Lower elementary** students begin with lessons on computer etiquette and gradually begin to work with programs and websites. Various software programs provide an engaging environment for students to learn necessary technological skills for their educational careers. Basic skills such as keyboarding and mouse manipulation, working with files, and using various programs are the foundation for more advanced learning. Students ultimately learn how to navigate a computer system, while also learning the basic commands for running various software programs.

As they reach **upper elementary**, students begin to make use of mobile technology. Community iPads and laptops are available for student use, along with the option of bringing in personal devices from home. Students are introduced to a wide variety of apps to aid research and creativity while using classroom iPads. Students also continue to make use of traditional technologies and websites with an emphasis on classroom learning and research.

**Middle School** students make use of technology tools in many facets of their day. Traditional computers, iPads, and multimedia tools such as camcorders and cameras are used across the curriculum. In addition, a LEGO robotics elective is available to the students.

Music

Music stimulates and uses the entire brain. Music is presented to our students from toddler through grade six twice weekly. In the spring, students in preschool through grade six perform in music programs.

**Toddler** students learn songs with simple rhythm instruments and have the opportunity to move their whole bodies.

**Preschool-kindergarten** students travel to the music classroom, where they enjoy rhythm instruments such as rhythm sticks, tone blocks, triangles, bells, and maracas, as well as many songs and simple dances. Students are introduced to the rhythmic notation of the quarter note, eighth note, and quarter rest.

**Grades 1-3** learn new songs and choreography. Dancing encourages whole body involvement with music and rhythm. Notes learned in preschool are reviewed, and the half note, whole note and rests are added. Students are introduced to playing simple rhythmic patterns on xylophones and glockenspiels, and they study a new composer or musician each month.

**Grades 4-6** students learn more complex patterns on instruments to accompany singing. In addition, an extra music session is added at this level to study the recorder. Students work with tone chimes to introduce chordal structure and melodic reading. They learn more complex choreography that may include line dancing, square dancing, or circle dancing. Each month, students experience the work of a new composer or musician.

**Middle School** students may elect Music Appreciation where they meet once a week for 90 minutes to explore music history through written and listening lessons. Middle Ages through the Classical Era and Romantic through the Twentieth Century are two different classes offered. At the end of the study cycles in music, students present their research to their peers.

A Guide to Specials Programs

Art, Music, Physical Education, Technology, and World Languages

Specials classes at Dearborn Heights Montessori Center are an essential part of a rich, challenging, and balanced curriculum.
World Languages—French and Spanish

French is presented twice weekly to our students from preschool through the sixth grade. They are introduced to the culture, music, art, and literature of French-speaking countries, as well as to the language itself.

The process of acquiring a language exercises the higher-level skill areas of the brain. These are the same places where problem-solving, mathematics, and science discoveries develop. DHMC is unique in having world language exposure begin at an early age and progress continuously. The younger it starts, the more open the brain becomes for later acquisition of this language and others as well.

Learning about other cultures encourages tolerance and acceptance of people different than ourselves. French is spoken all over the world, offering a wide variety of explorations. Seeing what life is like for other children, families, cities, and countries opens students’ eyes to our wonderful world.

They are also a step ahead with the Michigan Merit goals presently in place.

Spanish is presented to students in first through eighth grade. The Spanish curriculum has three central goals. First, students develop confidence and beginning skills in Spanish. Second, students learn that language is an important means of understanding and appreciating another culture. Third, students learn that all languages have structure and sets of rules that are common.

Students in Spanish have opportunities to learn about Spanish and Latino history and culture through art, music, visiting speakers and pen pals. The content of the Spanish curriculum is integrated with classroom geography and social studies.

Physical Education

Physical Education is a sequential, developmentally appropriate program that provides students with the knowledge, skills, fitness, and attitudes needed to live a healthy, productive life.

Physical Education helps students build and maintain healthy bones, muscles, and joints, strengthens the heart, enhances the immune system, improves blood flow, improves posture, gives more energy, increases self-confidence and self-esteem, and enables the student to meet new friends and develop fulfilling relationships.

Extended Day students visit once a week and are taught to show compassion, respect, self-responsibility, and best effort, all cornerstones of our PE program. Class activities include showing kindness toward others and group participation while incorporating locomotor skills to help enhance physical maturation.

Grades 1-3 visit two times per week for forty minutes per class. Students learn components of the human body’s skeletal and muscular systems. First, second, and third levels learn the major muscle groups and mechanics of their bodies along with internal organs.

Grades 4-8 work with their classmates to promote team building to achieve a common goal, a necessary trait to be a successful adult. Each student is given multiple opportunities to develop and practice his or her personal skills. Students are introduced to rules and strategies that help with understanding the concepts of each sport.

Units include: Soccer, Team Handball, Volleyball, Tennis, Floor Hockey, Basketball, Flag Football, Ultimate Frisbee, Kickball, and Track and Field.

Art Studio and Art History

Art stimulates both sides of the brain, teaches children that there are multiple solutions to problems, and helps children develop self-confidence.

Preschool: Our 3-4 year olds have a weekly 20-minute art history lesson where they are introduced to the art of early humans, Roman architecture, the work of famous artists, and more through stories, pictures, and artifacts.

Extended Day Kindergarten: In addition to art history, kindergarten students enjoy 45-minute lessons in the art studio that introduce the elements and principles of art. They develop their skills in paper cutting, weaving, creating coiled pottery, crayon resist, and printmaking.

Lower Elementary: Grades 1-3 enjoy a 75-minute art studio class weekly. In true Montessori fashion, the art studio allows for choice and freedom of movement. Work includes architectural blocks, drawing lessons, puppet theater, print shop, mono prints, and computer lessons.

Upper Elementary: Grades 4-6 have a 75-minute art studio class weekly. Work becomes more challenging and requirements increase. Step-by-step drawings, symmetrical face drawings, wax sculpture, and clay are explored. Students study specific artists and may create op art, cityscapes, prints, or watercolor paintings.

Middle School: Grades 7-8 may elect Art Studio. The lesson begins with researching a theme or art style. The students create sketches, learn the process of transferring sketches to canvas, and learn painting techniques. Finally, they present their research and work to their peers.
