MONTESSORI YELLOW PAGES

Our Montessori Yellow Pages listings are presented to you in a spirit of mutual support.

This “Buy Montessori” initiative, with the first directory published during the 2009-10 school year, is intended to help members of our school community by establishing a directory of businesses that are owned by, are operated by, or employ our families and staff. We all purchase a variety of products and services. With an internal directory, we have the opportunity to meet many needs and satisfy a variety of wants by patronizing the businesses with which families from Dearborn Heights Montessori Center, Plymouth-Canton Montessori School, and Livonia Montessori School are associated.

We will continue to expand this directory throughout the coming school year. If you own a business, provide a service, or work for an employer that does, please fill out the attached form and return it to the school office for inclusion in the directory.

If you have any questions regarding our directory, please contact Shelley Boatright at (313) 359-3000 or via email at sboatright@dhmontessori.org. We hope you will plan to participate.
