NOTIFICATION OF LICENSING NOTEBOOK

In accordance with the 5/27/10 amendment to the Michigan Child Care Organizations Act, 1973 PA 116, all child care centers are to maintain a licensing notebook and require parents to sign a document that they have been informed of the following:

1. The center maintains a licensing notebook containing all licensing inspection reports and special investigation reports issued and all related corrective action plans developed on or after May 27, 2010. The notebook will include a summary sheet listing all of the above.
2. The licensing notebook will be available for parents to review during regular business hours.
3. Licensing inspection and special investigation reports from the past two years are available on the Michigan Department of Human Services Bureau of Children and Adult Licensing website at www.michigan.gov/michildcare.

Our school's licensing notebook is located in the office, and is available for parents to review during office hours. Please acknowledge this notice by signing the accompanying page.
